12	Vision + Objective		If Brereton is too remain rural, it will need to do more to retain its local agriculture. Very few or any of farm staff are Brereton Residents. A labour shortage will accelerate the decline in this industry in the next 15 yrs. Too much emphasis on retaining rural without any consideration of how it will be maintained by faceless farming!

17	Local Housing Connections		Brereton has a number of rented houses to C.E which are originally for farm workers, Smethwick, Davenport Lane, Sandle Green, Brereton Green, Back Lane. When these houses become vacant Policy 12, Section 3 should favour people with rural skills to fulfill this Plans objectives.

Page	Section	Policy	We support maintaining and enhancing the rural community and Green Gap status of the Brereton parish. If there is much more development, it would drive us to move away, which we don't want to do as we love living here. If no more than 50 houses built.

			The Parish is bisected by the A50 and the A54. We believe more stringent speed restrictions are required on these two highways through the Parish as well as the network of narrow roads connecting the various settlements. This would reduce the risk of accidents as would better maintenance of all highways and verges.

			I would be interested to know what, if any, plans there are for the school. Specifically, if new houses are built within the region, does the school have the infrastructure to support increased pupil numbers. If so, how will that affect people who live near to the school, in terms of traffic and increased noise at break/lunch times.
