

# Brereton Parish Neighbourhood Development Plan

## Visitor Response Form

### Vision and Objectives

On this stand you will see lots of information about Brereton's Neighbourhood Plan which we are developing - feel free to ask questions. Please may we record your views about the draft Vision and Objectives which we are presenting today. Your opinions are valuable to us and will help to inform our final plan, but we will aggregate and summarise them to preserve your anonymity.

Comments on Vision		
1 Provide and improve community facilities to meet local need		
2 Deliver a sensitive housing development strategy tailored to Brereton's needs, protecting the landscape and in keeping with the distinctive character of the area		
3 Improve cycle ways and footpaths between settlements and encourage their use		
4 Strengthen and support economic activity		
5 Seek ongoing improvements to transport, digital connectivity and utility services		
6 Protect green space and the landscape, support nature conservation, and encourage responsible rural recreation and tourism
