

Brereton Parish Council

FREEDOM OF INFORMATION POLICY

Brereton Parish Council('The Council') is required to comply with the Freedom of Information Act 2000. This requires public authorities to provide public access to information held by that authority. To this end The Council has adopted a Publication Scheme, based on the Model developed by the Information Commissioner's Office (ICO), effective from 01 January 2009.

The information available from The Council is indicated on the accompanying chart. This can be obtained from the Parish Clerk or via The Council website, www.BreretonParishCouncil.org.uk

Fuller details about Freedom of Information and the Information Commissioners Office can be obtained from the Parish Clerk
